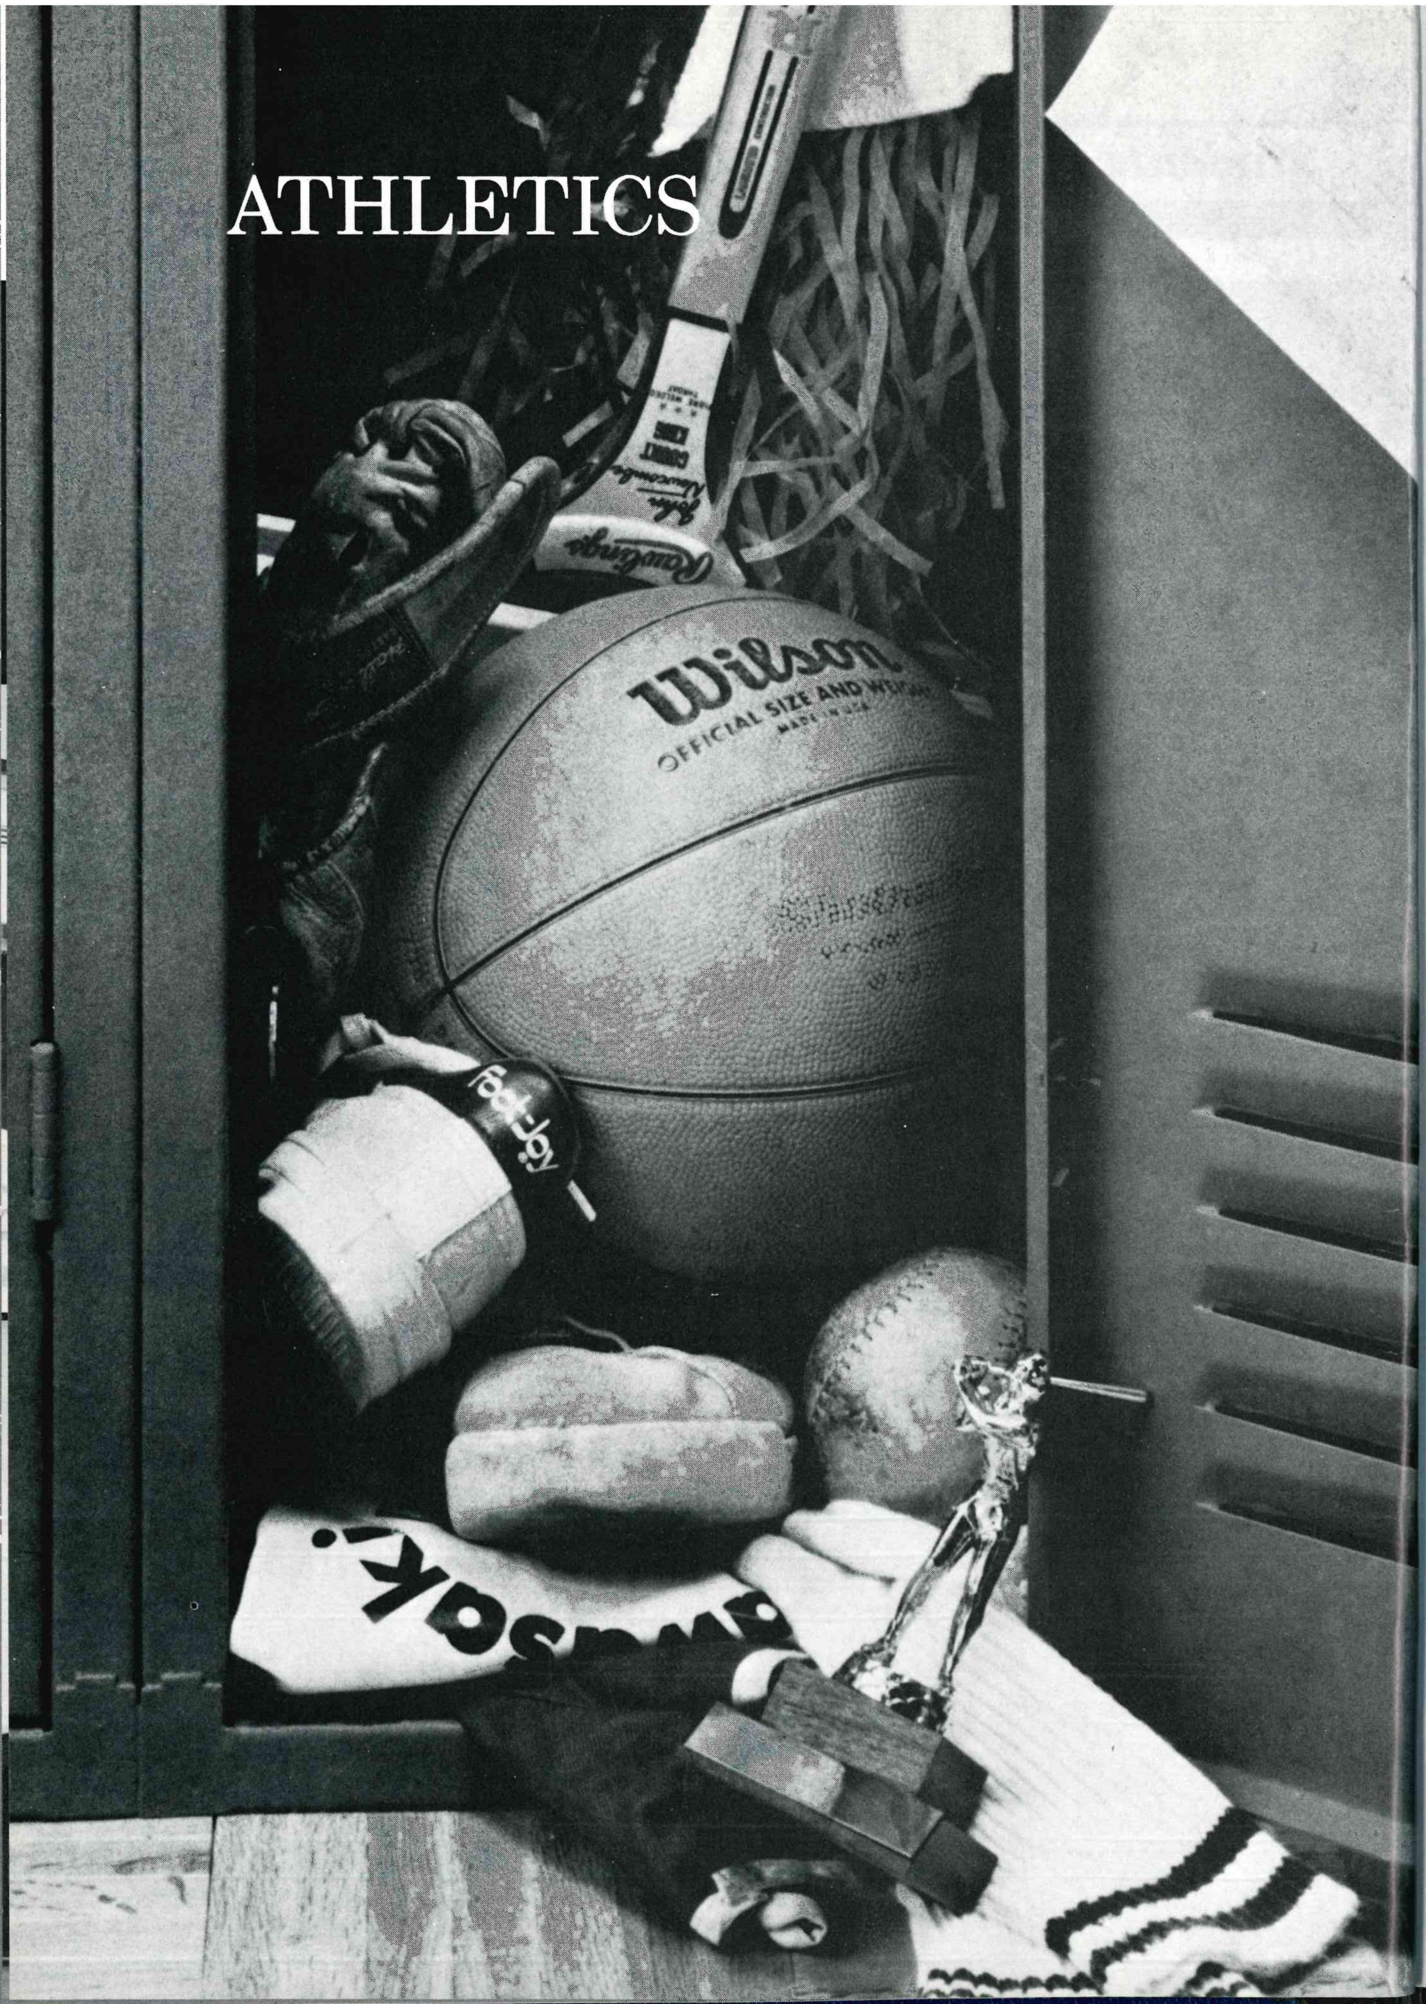
ATHLETICS



Sportsmanship is many things. It isn't always easy to be a good sport, but it is vital to life.

Sportsmanship is smiling sincerely at the referee who called a foul on you when you didn't make it.

Sportsmanship is helping the ''hot dog's'' of the other team up off the floor.

Sportsmanship is not booing the referee when he makes a bad call.

Sportsmanship is cheering for your team - especially when they are losing.

Sportsmanship is wanting to work as a team more than being high point.

Sportsmanship is caring about your teaammates more than yourself.

Sportsmanship is going to practice every day and working as hard as you can every minute even when you are one who weighs less than a hundred pounds on a football team of one hundred and fifty players.

Sportsmanship is sending a letter to the team that beat you in the play-offs and wishing them the best of luck in the state division - and meaning it.

Sportsmanship is a coach leading by example and displaying sportsmanship him/herself.

Sportsmanship is caring more about your players' welfare than winning.

Sportsmanship is treating a ''baby'' freshman with the same respect you'd give a ''super'' senior.

Sportsmanship is hitting the heck out of the opposing team in a rival football game, but socializing with them at other times.

Sportsmanship is winning, even if you lose the game.

The season started slowly with one win in the first three games. We then seemed to improve and won five of the last three games. Seniors Tim Hall, Jim Smith, Scott Baker and Pat Wren were instrumental in the success of the team, they will be sorely missed. There is a good group to build upon next year with 24 returning letter winners. Next season could return Joseph City to the top of the ladder if returning people work hard in the off season.

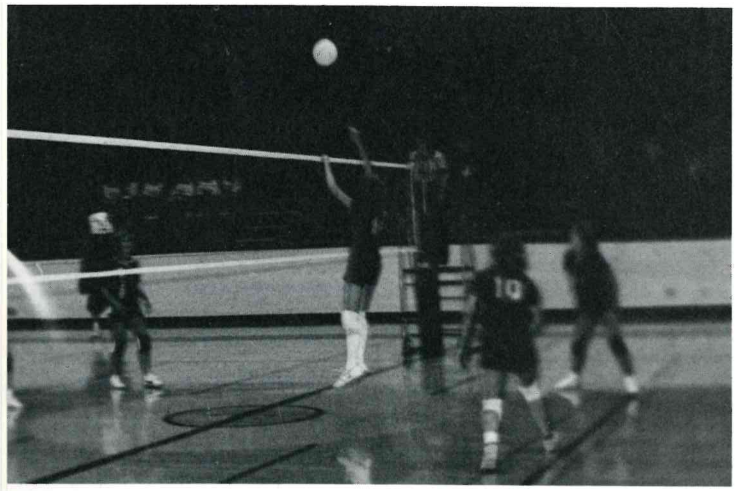
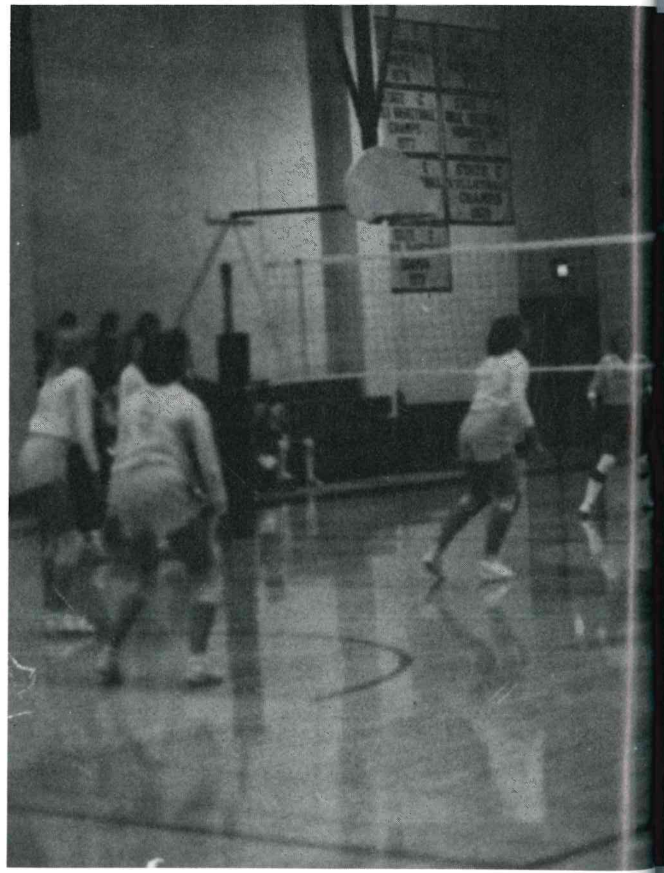
Good Block!!

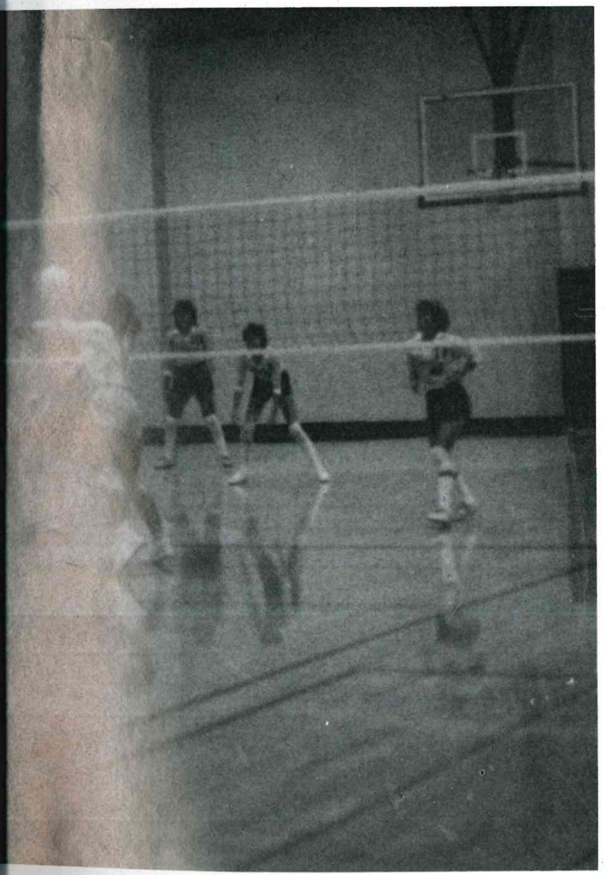
Our Coach, Duane Jones.



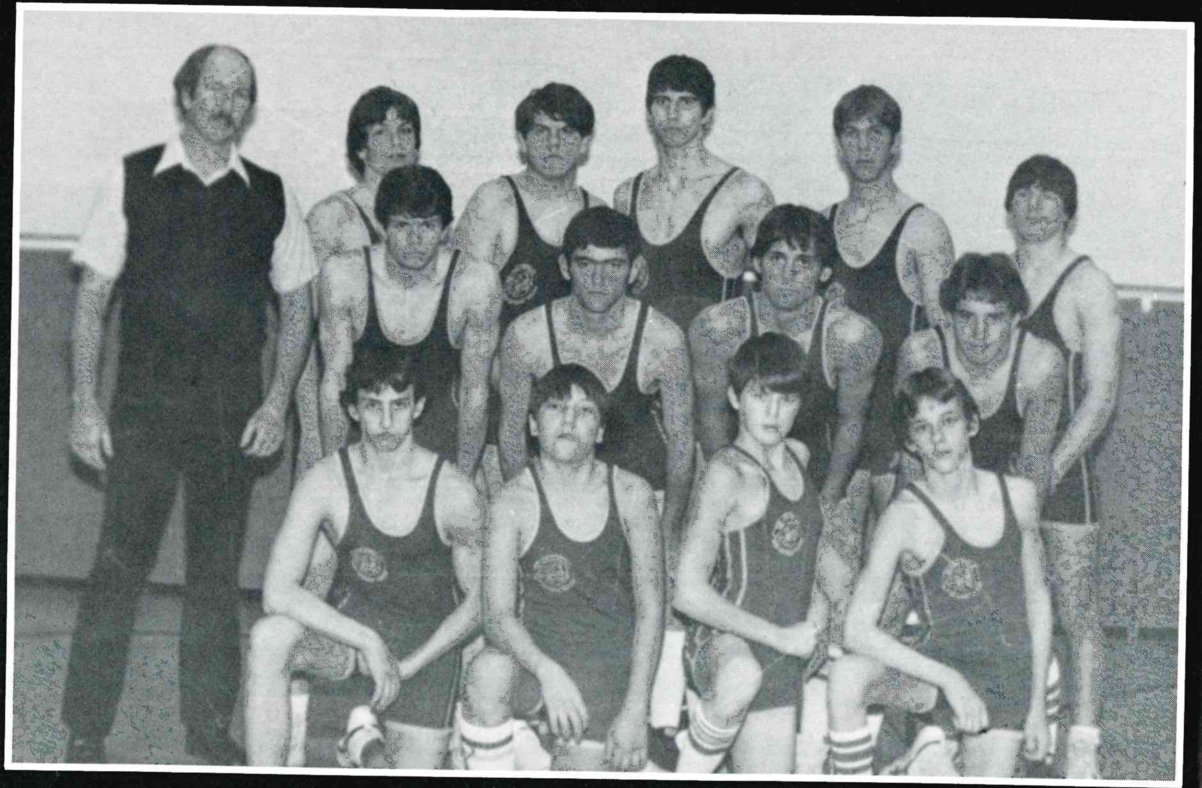
Excellent spike, Jeanie!



Great teamwork.



Beginning his third year at the helm, Coach Duane Jones had 17 aspiring volleyball players turn out for two days back in August. After losing all starters from the previous year's 3rd place state finish, the Fighting Cats went out to prove that they were still a strong contender in Northern Arizona Volleyball. In the first match against Holbrook, the Cats rallied late in the second game only to lose in two games. After that match, the girls showed steady improvement each week and would lose only two more matches the rest of the season. Some of the most memorable matches were in Salome which we won in 3 hard-fought games. At home against Western Christian the girls spotted WC the first game and then came roaring back to win in 3 games. The last match of the season in Seligman proved to be one of the most exciting. Again the Cats refused to give up after dropping the first game to Seligman. Coach Jones said, "I enjoyed working with this group of girls. They always seemed to pull together during a tough match and work as a unit. They never gave up because of their relentless spirit. We have some very fine girls coming back and I think we'll be a driving force in C North Volleyball next year." The girls finished with a very fine 12-3 record while the J.V. had an excellent 10-1 record.



Back Row: Coach Hiram Buckley, Jon Edwards, Kevin Torsak, Patrick Wren, Sean Hunsaker, Ron Hadlock. Middle Row: Tim Hall, Lester Huckey, Dale Bray, Ray Burt, Mike Aurora, Jon Fuller, Billy Ford, Matt Boone.

ON THE MAT

"Wildcat Wrestling Pride"

The job of a wrestler was not an easy one. Practice consisted of running 2 to 3 miles daily, weightlifting, rigorous calisthenics, and 1 hour of continuous wrestling. However, the wrestling team shared an outstanding season.

The younger players learned from the upperclassmen that they could push themselves farther, develop their technique, and strengthen their self confidenc.

If you always try your hardest and have your heart into it, you'll be successful.

Wrestlers improve throughout the season both physically and mentally.

1985

Placing in the district tournament to qualify for the state tournament were the following: Ray Burt, 2nd at district; Dale Bray, 3rd at district; Tim Hall, 3rd at district; Kevin Torsak, 4th at district; and Patrick Wren, 1st at district. At the state tournament, Ray Burt took first.

This year one school record was broken; Dale Bray broke the school 3 point near-fall record with 35.

Individual records for the year were as follows:

Matt Boone	5-14
Bill Ford	1-13
Jon Fuller	0-17
Mike Aurora	15- 9
Roy McLaws	3-10
Ray Burt	26- 4

AFTER JOINING THE CLASS C NORTH RANKS ONCE AGAIN, THE WILDCATS FOUND THE COMPETITION AS TOUGH AS IN THE B RANKS. WITH THE FRUSTRATION OF LOSING FOUR GAMES BY THREE POINTS OR LESS, THE VARSITY ENDED UP WITH A 6-9 OVERALL RECORD AND A 2-4 CONFERENCE RECORD. LEADING THE WAY FOR THE TEAM WERE THE THREE SENIOR STARTERS: DALE JOHNSON, STEVE JOHNSON, AND JIM SMITH. SEASON TEAM HONORS WENT TO JIM SMITH WHO WAS SELECTED TO THE ALL TOURNAMENT AND THE ALL CONFERENCE DISTRICT FIRST TEAM AND DALE JOHNSON WHO WAS SELECTED TO THE ALL CONFERENCE DISTRICT SECOND TEAM.

Coach's comments: The J.C.H.S. Girl's Basketball Team had a very improved season this year. The team was very young but worked hard to make up the difference. "We are really looking forward to next year and having everyone back. We gained lots of valuable experience this past year and are counting on more success in the coming seasons," commented Coach Baird.

With only two seniors coming back from the 1984 squad, Coach Jones had to rely more on the young players to fill the openings left by graduation. The team had only 8 games this year which didn't help as far as getting in the needed game experience. The team played two very fine games against Fredonia in which the Wildcats came from behind in both games to win a trip to District. In looking towards next year, Coach Jones expressed these thoughts, "We should be solid for the next couple of years because this group has been playing together since Babe Ruth; plus we only lost Scott and Jim from our starters. I'm looking forward to next year."

Season honors went to Jim Smith, Most Valuable; Mike Aurora, Mr. Defense; and Jay Smith, Most Improved.

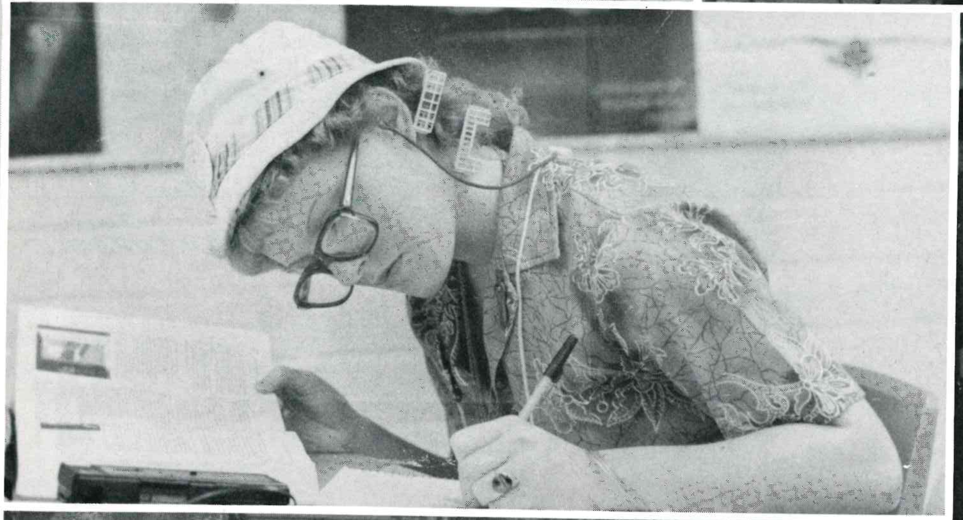
84-85



Homecoming 84 started off on Monda Oct. 15th with everyone dressing in blu and gold clothes to show our great schoo spirit. At lunch we had activities such a a banana eating contest, a potatoe rac and a hamburger fry. Tuesday was a little risque as everyone was dressed in to gas. Wednesday was class day. Each clas had picked a different dress up da Thursday was really wild with a combination of punk and clash followed tha evening by the 1st annual spirit parad and bon fine. Friday set the week o with a "touch of class". It was dress u day.

That evening our volleyball team playe North West Christian winning 15-6, 15-7 followed with a victory from our football team 66-28. Saturday we had the Homecoming dance. It was a real success being it had the largest turnout in history. The pink and silver decorations added a real "touch of glamour" as the theme was Glamorous Life. Homecoming royalty was crowned at the dance.

Prom Night, a girl's dream and a young man's fancy, is one of the most exciting events of high school. Many look forward to prom for years and those that go remember that night for years and those that miss their prom have missed a little piece of happiness that might leave a small void for a lifetime. Prom memories are those of which dreams are made.

Prom was held on May 3rd, 1985 in the JCHS Activity Room. It was really a night to remember. The class of 1986 dedicated the evening to the Seniors. The balloon filled ceiling added to the bubbly atmosphere of the dance. The burgandy and silver streamers and decor made a sum for an evening of elegance. I think we will all "REMEMBER THE FEELING!!"

After spending many hours in the classroom, the students enjoyed this needed break. Activities included swimming, volleyball, basketball, football, and board games. Students enjoy the swimming pool in above photo.

JUNIOR HIGH

One of the major district changes for 84-85 was the moving of the junior high to the high school campus. The students adapted quickly and liked the change. Junior high activities for the year included interscholastic competition in volleyball, wrestling, boys basketball and girls basketball. Other activities included afternoon dances and an eighth grade graduation ceremony and party. All students took band or chorus and performed in concerts. Last but not least, students took 7 classes per day, studied hard, and learned.

Preperations for 8th grade graduation.

End of the year dance to welcome 6th grade to junior high.

Above: More Very Important Staff Members

Below: Teachers learn to make omelets at early morning faculty meeting.

This year has been pretty hard for the yearbook staff. There was only one person on the entire staff who had a foggy idea of what was going on—me—and it was very foggy. So I was chosen to be the editor. We also had a new adviser this year, Mrs. Bratt. She learned as much as she could, as fast as she could. I really appreciate all the effort she put into this book, and I appreciate the work the staff members did. We hope you like it.

Thanks,

Dawn Ozment
